Subject No. 191.
A Treasury, etc., for Koratagere

Summary of discussion.—A Treasury and a Munsiff's Court may be established at Koratagere for the convenience of the public.

Reply of Government.—This does not seem possible.

Subject No. 192.
Ankasandra tank.

Summary of discussion.—The restoration of the breached tank at Ankasandra is prayed for.

Subject No. 193.
New tank near Tammadihalli.

Summary of discussion.—A tank may be constructed across the jungle stream near Tammadihalli in the Shettigere hobli.

Subject No. 194.
Durga tank.

Summary of discussion.—The improvement of the Durga tank is prayed for.

Reply of Government.—These projects (*vide* Subjects 192, 193 & 194) have already been duly investigated and pronounced to be impracticable by the D. P. W.

Subject No. 195.
Gomal and Hulgaval lands.

Summary of discussion.—Gomal lands should not be granted for cultivation. Hulgaval lands should not likewise be given to the Abkari Department for the formation of date plantations.

Reply of Government.—No such general rule is desirable. Every case will be disposed of on its own merits.

Subject No. 196.
Government to repair all tanks.

Summary of discussion.—The Government should undertake to repair all tanks, minor as well as major.

Reply of Government.—This is not possible for any Government Department to undertake.

Subject No. 197.
Kudrakanave State Forest.

Summary of discussion.—People of about twelve villages have been put to much inconvenience by the reservation of the Kudrakanave State Forest.

Reply of Government.—The matter will be enquired into by the Forest Department.

Subject No. 198.
Opening of certain roads.

Summary of discussion.—Two roads should be opened, one from Budihal to Yennegere to connect Sira-Banavar and Holalkere-Huliyar roads, and the other from Budihal to meet the Kadur-Ajjampur road *via* Belagur.

Reply of Government.—This will be referred to the District Fund Board for consideration and disposal.

Subject No. 199.
Hakdar village officials to work by rotation.

Summary of discussion.—Hakdars to hereditary offices should be allowed to officiate by rotation.

Reply of Government.—A general rule of fixed rotation has been considered and given up as unsuitable for this Province.

Subject No. 200.
Amrut Mahal kavals in tank beds.

Summary of discussion.—The Amrut Mahal Department may be asked to relinquish such of their kavals as are in the beds of tanks, the inconvenience arising from the reservation of tank beds being very great.

Reply of Government.—This is not practicable in all cases. Representations in individual cases will be dealt with on their own merits.

Subject No. 201.
Weirs of Kadaba tank.

Summary of discussion.—The weirs of the Kadaba tank should be raised and the irrigation channels below it repaired at an early date.
